you need

WHAT CAN WE DO ?

Your Cuff High

Your Logo

Your Design

Your Color

CUSTOM

Your Material

1

FREE Quote

We take your basic ideas and quote you an all-inclusive Custom Compression Socks price so you know right away what the total cost will be.

2

ARTWORK Incorporation

Our professional designers take your logo, text and color scheme and design what we feel you are looking in Custom Compression Socks.

3

Design Adjustment

Our experts make your design into an actual pair of Custom Compression Socks then send to you to review and adjust if needed. This process continues until you feel your design is perfect.

4

Final Approval

When everything seems to be the way you want it, the final detail is to place your Custom Compression Socks order with the quantity and sizes you want so we can start to produce.

Just give us your
LOGO
We produce your
own socks for you

Materials

Many options of fabric materials you can choose: Cotton, polyester, nylon, silk, wool, sliver fiber, etc

wool

cotton

nylon

more functional yarns

Style

All style can be customized.

A stack of several cardboard boxes is arranged on a wooden pallet. The boxes are of various sizes and are stacked in a way that some are partially obscured. A semi-transparent dark grey rectangular box is centered over the stack, containing white text. The text is framed by a thin blue border. On either side of the central box, there are large, light blue square brackets. The background is plain white.
